**IMPORTANT INFORMATION (A.K.A. "THE FINE PRINT"):** Priority will be given to renewing members who register before Aug 14, 2018. Silver Blades reserves the right to cancel sessions that are under-registered or to consolidate sessions if numbers drop below a minimum level. From time to time, sessions will be cancelled to accommodate competitions, test days and other events. Advance notice will be given when possible. Silver Blades reserves the right to restrict skaters from skating on sessions where safety and ice flow are compromised due to lack of speed, skills and ice awareness, regardless of session criteria. Your online registration receipt or cashed cheque is your confirmation of registration. A \$20 administration fee will be charged for each change once a session has started. A \$30 charge will be applied to NSF cheques.

**REFUND POLICY:** A \$50 administration fee will be charged for cancellations before the start of the season. Cancellations up to Oct 9, 2018 will be prorated by the number of sessions to date, plus a \$50 administration fee will be charged. The balance will be refunded. After Oct 9, 2018, no refunds will be issued without a medical certificate. Requests for refunds must be submitted in writing to info@silverblades.ca. There are no make-up classes for sessions missed, no matter the reason. **Preliminary skaters must be registered in at least one Preliminary session, and have their private coach present, in order to skate on Open Ice sessions.**

**Silver Blades is a volunteer-run organization. Inquiries: 416-233-8331 or info@silverblades.ca.**

## OUR PROGRAMS

Minimum age to skate at Silver Blades is four years old by December 31, 2018.

**PRECANSKATE:** The PreCanSkate program includes 30 minutes of group instruction and is designed for children who have never skated before. Average group size is eight skaters.

**CANSKATE:** Skaters must be able to get up unaided after falling, shuffle forward unassisted and should be starting to skate backwards. There are five levels; skaters will be evaluated at the first class and grouped accordingly. Skaters will learn forwards, backwards, stopping, turning and skating skills. Average group size is eight to 10 skaters. Private lessons are available during the last 10 minutes of all sessions. Visit the Coaches page on our website for more information.

**PRELIMINARY:** Preliminary is for children who want to continue in figure skating. It is strongly recommended that skaters skate at least 2 sessions per week. They will learn edges, turns, jumps and spins. A professional coach is required at this level. To qualify for this program, skaters must have completed CanSkate Stage 5 and be evaluated by the Preliminary convener. All skaters must wear figure skates. Sessions generally consist of a warm-up, three 10-minute group lessons, and free time to practice what they have learned or for private lessons.

**JUNIOR:** Skaters MUST skate at least 2 sessions per week. Group instruction includes edge development and skating skills/stroking, with independent practice in Freeskate and Dance. A professional coach is required at this level. To qualify for the program, skaters must have passed ALL STAR 2 tests (new test stream) OR one complete Preliminary test (old test stream).

**INTERMEDIATE:** Skaters MUST skate at least 2 sessions per week, but three or more is recommended. Group instruction includes edge development and skating skills/stroking, with independent practice in Freeskate and Dance. A professional coach is required at this level. To qualify for the program, skaters must have passed ALL STAR 3 AND 2 STAR 4 tests (new test stream) OR the complete set of Preliminary tests PLUS one complete Junior Bronze Test (2016-17 and prior test stream).

**SENIOR:** Skaters MUST skate at least two times a week, but three or more is recommended. Group instruction includes edge development and skating skills, with independent practice in Freeskate and Dance. A professional coach is required at this level. To qualify for the program, skaters must have passed ALL STAR 4 AND 2 STAR 5 TESTS (new test stream) OR the complete set of Junior Bronze tests PLUS two complete Senior Bronze tests or any complete Junior Silver/Silver test; or be at least 19 years old.

**ADULT:** This program is for CanSkate and StarSkate level adult skaters (18+ years). For CanSkate skaters, group lessons will be available and helmet is mandatory. Preliminary and up skaters may register without a coach.

**SYNCHRONIZED SKATING:** Silver Blades has 3 synchro teams: Beginner, Elementary and Juvenile levels. Skaters must have passed CanSkate level 4 to be eligible to join. For more information, please see the Synchro page at [www.silverblades.ca](http://www.silverblades.ca).

**CANPOWER:** This program is geared to hockey players ages six to 14 who have good forward and backward skating skills and can stop on command. The program focuses on balance, power, agility, speed and endurance. Full hockey equipment and a hockey stick are required.

**IMPORTANT NOTES:** CSA-approved helmets MUST be worn by skaters in the PreCanSkate/CanSkate and Adult CanSkate programs. Hockey or figure skates can be worn on these sessions. Parents cannot participate on the ice. No jeans or baggy pants allowed.

**COACHES:** We are fortunate to have many talented and professional coaches at Silver Blades. Arrangements can be made directly with the coaches if you are interested in private lessons for your skater. See the website for contact information for each coach.
