Important Notes

- Paying with Silver Blades dollars.** At this time, if you would like to pay with Silver Blades dollars you may still do so, however, it must be done offline. Payment with Silver Blades online will be implemented for the fall/winter 2017/18 season.
- Multiple skater discount.** If you are registering three or more skaters from the same household, please contact registration@silverblades.ca **before** you register. Due to limitations within the system, the multiple skater discount is not calculated automatically at check-out like the multiple session discount is. Contact us with the skaters’ names and the sessions they will be participating in and we will calculate your discount and a credit will be applied to your account that you may use during check-out.
