A reminder that the club competition will be held on April 11th. This event is open to all of our youth skaters and is a wonderful opportunity to participate, support our skating community, and enjoy some great performances.

### Ice Show Planning Update

Our Ice Show organizers have been busy planning and preparing for the big event, and at this time we need your help!

We are looking for clear, clean 2-litre pop bottles to be used as part of our props and costumes. A labelled donation bin will be available in the upstairs office for bottle drop-off.

We are also seeking sponsors for our Ice Show. If you own a business, know someone with a business, or are willing to help source donors, please reach out to [iceshowchair@silverblades.com](mailto:iceshowchair@silverblades.com).

Volunteer credits will be given to our parents who are able to secure a donor.

Thank you for your continued support in making this year's Ice Show a success!
