YOUR ICE SHOW HOW-TO GUIDE!

GETTING STARTED

The 2022 Silver Blades Ice Show is fast approaching, so we have created this handy guide to get you ready. It has all of the information you'll need to help your skater have a fun and positive experience. Our 2022 Ice Show theme is **"Welcome to the Jungle"**. With a run time of roughly two hours, the show will be structured in two acts, with a 15-minute intermission in between. Each act will be made up of group performances and step-out skates (single, duo and small group).

PRACTICES

Information regarding number(s) your child has been assigned to, as well as the dates and times of their practices can be found on our website at <https://www.silverblades.ca/pages/Events/Ice-Show/>.

Skaters have been grouped based on their skating level, and while we made every effort to schedule their practices on the day they skated during the season, it was not always possible. Each group will have at least three practices, and it's important that they attend all of them. If an absence or lateness is unavoidable, you must inform the group coach as soon as possible. Attendance will be monitored, and the group coach and Ice Show Director will decide whether skaters who miss practices may still be in the performances.

Please make sure your child arrives at the rink a little early for each practice so that they are on the ice promptly at the scheduled start time.

COMMUNICATION

Changes to the schedule and other important information about the Ice Show will be communicated through postings on our Club Bulletin Board at the rink (outside Dressing Room 1) and on the website [silverblades.ca](https://www.silverblades.ca) and our social media pages, Instagram and Facebook.

We will also send email updates, so make sure that we have your current email address on file. Please verify that your email and communication preferences are up to date by logging into your account at [silverblades.ca](https://www.silverblades.ca)

SKATE PREPARATION

Your child's skates should be sharpened approximately two weeks prior to the first Ice Show performance, and we recommend the following skate sharpening services:

Jake's Skate Sharpening (Thornhill) 905-889-3276

Figure Skating Boutique (Thornhill) 1-866-957-0396

Esta (Oakville & Richmond Hill) 1-877-808-3782

HOCKEY SKATES—Newson's (Dundas & Jane) 416-762-9976

COSTUMES

Costumes have been rented for the Ice Show. They will be cleaned and fitted to the measurements of each skater, and then labelled with the skater's name so that volunteers can ensure everyone has the right costume. You will be receiving an email from our costume committee for fitting dates and times.

Please ensure your child wears clothes that are easy to change into and out of to the dress rehearsal and all performances.

The dressing room area will be full of activity, so please do not send additional or unnecessary items (e.g., backpacks, bulky coats) with your skater.

Absolutely no food or drink will be allowed in the dressing rooms. And costumes will not be allowed to leave the arena under any circumstances.

ALL SKATERS WILL REQUIRE THE FOLLOWING:

- Plastic or rubber skate guards (no cloth blade covers, as these pose a slipping/falling hazard)
- **GIRLS**—nude skating tights in good condition (footed or footless; no over-the-boot tights or boot covers, please)
- **BOYS**—black skating or black pants

If you do not have these items, please purchase them for the show. You can find them at:

- Figure Skating Boutique
- ESTA
- Footloose Dancewear (tights only)

CANSKATE PARTICIPANTS WILL ALSO NEED:

- Helmets for practices, the dress rehearsal and all performances. If your child's helmet has a face guard attached, please remove it for the rehearsal and shows.
- Thin, stretchy gloves—beige for girls, black for boys
- Some costumes may be sleeveless—if your child would be more comfortable wearing a warm layer underneath, please ensure that it is white or beige (colours or patterns will distract from the costume)

NOTE: *Please ensure that all of your child's personal items (including skate guards and gloves) are labelled.*

DRESS REHEARSAL

> THURSDAY, MAY 12

- Attendance is mandatory for all Ice Show participants
- CanSkate/Preliminary skaters who are skating in Act II (CanSkate groups B & D, Preliminary group C & D – except Elementary Synchro skaters) should arrive promptly at 5:30pm

DROP-OFF AND PICK-UP PROTOCOL FOR DRESS REHEARSAL AND ALL PERFORMANCES

All skaters are to be dropped off and picked up at the NORTH-END ENTRANCE to the arena, rather than the east-facing main entrance that you used during the season.

Please observe parking restrictions in the arena parking lot and on neighbouring streets, or you will risk fines and/or towing. Additional parking is available Friday evening and all day Saturday at Etobicoke Collegiate Institute (immediately north of the arena, past the railroad tracks).

All skaters must be signed in and signed out by a parent/guardian. Please be prepared to wait patiently as there will be a lot of skaters arriving at the same time. Our volunteers will move as quickly as possible to get everyone in and out promptly.

Once a skater is signed in, a volunteer will escort them to join their group in one of the dressing rooms, where there will be another set of volunteers to help them get ready (costumes, make-up, skates, etc.)

***NOTE:** Parents are not permitted in the dressing rooms—we simply don't have the space to accommodate this. But rest assured, your children will be safe and well cared for by our parent volunteers. And if you would like to stay with them, you can always sign up to be a volunteer (see next section below).*

VOLUNTEERING

Our shows would not be possible without the hard work and dedication of our many volunteers. If you'd like to help out, email us at iceshowchair@silverblades.ca or visit the website at silverblades.ca/volunteering/search/ where you can sign up for a volunteer role online.

For Dressing Room Attendant positions in Canskate and Preliminary, you can select the specific group that your child is in as long as there are still spots available for that group.

PATIENCE IS A VIRTUE

Please remember that every single person working at the Ice Show is a volunteer from our skating community, and they are doing their best to ensure that things run smoothly and efficiently. We ask that you remember and respect that, and your cooperation with all of their efforts is much appreciated.
